

# Download Guidelines For Writing A 5 Paragraph Essay

Three Stages of Writing 1. Early Stages The early stages of writing a philosophy paper include everything you do before you sit down and write your first draft. Many believe the 5-paragraph essay should be left behind. Rob Sheppard presents a defense of it as part of a broader strategy for writing instruction. I couldn't agree more—we need to actively teach students out of using the five-paragraph essay, which is little more than an organizational framework. The Purdue University Online Writing Lab serves writers from around the world and the Purdue University Writing Lab helps writers on Purdue's campus.
